

Dunton Bassett Primary School Newsletter w/e 17/02/2023

Welcome to our new-look, weekly newsletter. Following feedback from parents, we will now put all calendar dates, reminders, good news, flyers, etc, in this newsletter, which will then be published and shared with you via Arbor at the end of each week. This will reduce the number of non-urgent messages you receive throughout the week. This newsletter will also incorporate class news, further reducing the number of messages you receive and the number of places you have to visit for your news. This will be your 'one-stop shop' for all of our weekly news; we hope you like it!

Mr. Howard

Next (School) Week's Calendar (*=Parents Invited):

Day	Event
Mon 27/02	Forest School Class 2 Arts & Crafts Club (paid) 3.15 - 4.15 pm
Tue 28/02	Topic Showcase 2.30-3.00 * Guitar Lessons pm in school. Sparx Club Yr 1/2 3.15 - 4.15 pm Parents' Forum (in school). 6.00-7.00. Action Plan & School Trips *
Wed 01/03	Lego Club (paid) 3.15 - 4.15 pm Y6 SATS Club (by invitation) 3.15 - 4.00 pm
Thu 02/03	World Book Day: Stay & Read 8.45 – 9.15 * Mrs Newman's Film Club YR-Yr 4 3.15 - 4.15 pm
Fri 03/03	PTA Fun Friday Non-Uniform Day: Manor (Blue)

Topic Showcase:

You are welcome to come and have a look at what your children have been learning about in a chosen topic in our latest Topic Showcase afternoon, on Tuesday 28th February, 2.30-3.00. No need to book; just sign in and then go and see what's been happening in our classes.

Parent Forum:

Our latest parent forum will be held on Tuesday 28th February, 6.00-7.00 pm in school. We will outline our latest actions in our School Improvement Plan and we will also gather your thoughts about the cost and frequency of school trips.

UNIVERSITY OF
LEICESTER

Dodgeball:

It was Dodgeball galore this week, with two Year 3/4 teams and two Year 5/6 teams participating in events and competitions at Lutterworth College. They were all perfectly well-behaved as always and one of our Year 5/6 teams won the 'Spirit Of The Games' award for their sporting behaviour. Well done!

Guinea Pigs:

Daphne and Beatrice are settling in nicely and starting to be a bit more confident around people! They are currently living in Mr. Howard's office!

E Safety:

We will provide information about a different aspect of E safety every week in this publication; we hope you find it useful. Please do check your security settings and talk to your children regularly about their online behaviour. This week's topic is: **BeReal**

PTA News:

Please bring in empty, washed jam jars for the PTA, ready for a craft session they have planned. Please leave in Reception; the collection ends on Friday 10th March. Thank You.

School Calendar (*=Parents Invited):

Wed 12/07	Last Day of School Year

Class One Weekly News

This week we have been learning:

- Yr R - to write a short sentence and placing a gap between each word with our finger
- Yr R - to partition numbers to 8 in different ways

(Your child may wish to explore numbers to 8 further at home on Top Marks by following the link <https://www.topmarks.co.uk/learning-to-count/todays-number-up-to-20>)

- Yr 1 - to read with fluency and expression - using 'Fred in our head' to speed up fluency
- Yr 1 - to use the 100 number square to recognise the value of numbers

(Your child may wish to explore this further at home by following the link to Top Marks and playing the game <https://www.topmarks.co.uk/learning-to-count/helicopter-rescue>)

- to devise our own maps and Yr 1 have been adding a key and symbols
- to understand the meaning of the David and Goliath story in RE
- to understand the various ways we can keep ourselves healthy in PSHE

Today we have also made - and eaten! - pancakes to celebrate Shrove Tuesday next week.

After half term, we will be learning about materials in science, The UK in Geography and exploring mark making and line and experimenting with different materials in art. We will also be learning about the Easter story in RE.

Notices:

PE sessions weekly on Mondays. We will keep your child's PE kit in school until the end of this half term.

Homework:

Phonics books / quizzes will be added weekly on Fridays onto Oxford Owl. Please access these via

<https://www.oxfordowl.co.uk/login?active-tab=students> with your child's unique login.

RWI Phonics Online Consolidation of Learning at School (please note that these links change weekly to support the children's current learning and can be accessed at home on a computer, tablet or mobile phone. They are only active links for 7 days.)

Yr 1 Please follow the links to consolidate learning we have been practising in class this week

[speeding up word reading](#)

[review set 3](#)

Yr R Please follow the links to consolidate learning of the sounds we have been practising in class this week

[Word Time 1.4 lesson 3](#)

[special friends lesson 6](#)

[Fred's table](#)

Reading: Please add a comment in your child's reading book each day they share their phonics online learning with you at home. Thank you for sharing your child's reading scores and feedback via Oxford Owl. Stickers will be added to the children's reading charts at the end of each week.

An additional reading book has been sent home as well as the one selected for your child on Oxford Owl. This is one that aligns closely with what the children have been working on at school for them to consolidate their learning with you at home.

Tapestry - Please continue to add any learning your child is doing at home. Thank you to all the parents who have sent in learning from home this week.

Thank you for all your support - have a wonderful half term break!

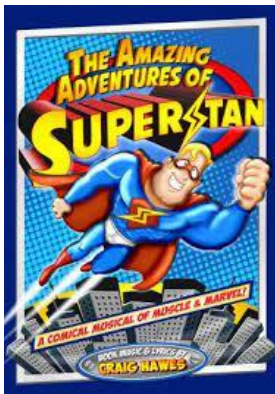

Mrs Newman, Class 1 Teacher 😊

Class Two Weekly News

This week in English we have been looking at story structure. In maths the year 2s have been multiplying and dividing by 2. The year 3s have looked at scaling and begun a new unit on length and perimeter. In our geography we looked at some human features of North America. In RE we looked at Hindu places of worship and in art the children produced some fabulous collages based on Tiger In A Tropical Storm. In forest schools the children did some more shelter building and marshmallow roasting.

Next week is half term! Enjoy 😊

Children have come home today with scripts for 'The Amazing Adventures of Superstar' which is this year's class production to be performed next term on Tuesday 28th March. Children have been very much involved in the selection of the cast. The name of the character they are playing has been written on the front of their script and I have asked them to start reading through their lines and begin learning them! Once we come back after half term we will begin working on the play and it may well be that changes are made to certain characters in terms of the number of lines they have! If you can support your child with their lines that would be great.

On Tuesday 28th February we will be having our topic showcase afternoon where parents and carers are invited into class from 2.30 onwards to look at some of the work the children have been doing this term.

Thursday 2nd March is World Book Day and children have come home today with a wooden spoon to decorate as a favourite book character.

Have a great half term break!

Mrs Senesie

Class Three Weekly News

This week

This week we have focused on grammar in our English lessons and Year 4 and 5 have had assessments whilst Year 6 have been doing some SATs practice questions. In Maths Year 6 have continued with work on decimals while year 4 and 5 have continued with fractions and also completed some assessments. Also this week Year 4, 5 and 6 all had the opportunity to go to dodgeball tournaments after school on Monday or Wednesday.

Gymnastic lessons in the village hall this half term

Next week

Next week we will all be enjoying our half term break. When we come back after the holiday we have our Topic showcase on Tuesday 28th February at 2.30pm. The children will also begin a Geography unit of work (South America comparison with the UK).

PE

Our PE this term is on a **Monday afternoon and a Wednesday afternoon**. We are no longer swimming.

Our topics next half term are...

Maths	Year 4/5: Fractions; Decimals (Y4); Percentages (Y5); Multiplication & division part 2 Year 6: Fractions/Decimals/Percentages; Area, Perimeter and Volume; Statistics
English	Letter writing; persuasive writing (adverts)
Science	Living Things
Geography	South America comparison with the UK
RE	U2.9 Why is the Torah so important to Jewish people?

PSHE	Rights and Responsibilities
DT	DT: Textiles (combining different fabrics and shapes)
Music	Pitch
MFL	Spanish- Fruits or vegetables

Homework

Homework has been set as usual this week for years 4 and 5 and the children will need computer access to complete the spelling and maths aspects of it (All children now have the necessary logins). **If you are having problems with the app on mobile phones you may need to do updates or to uninstall and reinstall as I know they have recently introduced updates which seem to be causing some people problems.** Year 6 will be continuing their revision homework so will only be expected to do the reading and values part of the class homework alongside the work set in their revision books. Our school value focus for this half term is independence. We continue to consider reading to be of vital importance and would ask you to positively encourage your child to read as frequently as possible (don't forget that discussion with an adult to check comprehension is vital even for those really good readers).

Thank you for supporting your child's learning.

We continue to be grateful for your ongoing support.

Kind Regards

Mrs Alison Romanovsky

What Parents & Carers Need to Know about

BEREAL

BeReal is the latest trending social media app. The concept is that people see others in their authentic day-to-day lives, sharing candid photos without editing or applying filters. Each day at a random time, users are simultaneously notified to take a picture of what they're doing at that exact moment. The two-minute window to submit an image means there's no time to select a particularly glamorous or exciting activity. BeReal shares two pictures: a selfie, and an image of the immediate surroundings. Users can only view and react to their friends' photos once they upload their own.

AGGRATING
13+
from the
App Store &
Google Play

WHAT ARE THE RISKS?

CONTINUOUS NOTIFICATIONS

Like any social media app, BeReal's developers want users to be on it regularly and scrolling for long periods. BeReal only sends one notification to post a picture each day, but there are other alerts for events such as mentions, comments, friend requests and reactions to your photo. This can cause young users to feel pressure to open the app and respond, distracting them from other activities.

CONNECTING WITH STRANGERS

When someone signs up to BeReal, it highlights anyone in their phone's contacts list who already has the app – so users can connect with friends, or invite others from their contacts. The 'Discovery' feed, meanwhile, shows posts from strangers and gives users the option to add them as friends, too. This means your child could potentially connect with – and communicate with – a stranger.

PUBLIC SHARING

As well as sharing posts with friends in the moment, the app also allows posts to be shared publicly and public content to be viewed. Before a user can see this public content, they must post their own photo first. Unfortunately, there currently seems to be a lack of moderation on the content that's being uploaded, so a young user could be exposed to posts which aren't suitable for their age.

EASY LOCATION

BeReal's default setting is to share the exact location of where a post was sent from. Given that images are usually shared within the two-minute window, anyone your child is friends with on the app will know exactly where they are (or at least, where they were two minutes earlier). As we've noted, this could include strangers who are intending to use this geographical information for malicious purposes.

VISIBLE PERSONAL DATA

As with any other form of social media, it's important that your child doesn't share too much personal information on their profile. BeReal allows for a photo, full name, approximate location and a short bio. It's safest to make sure that your child's profile doesn't display anything which could identify where they go to school or exactly where they live.

REPUTATIONAL DAMAGE

What your child says and does online – their digital footprint – shapes the way that other people see them. It's essential that young people understand that when they post something online, they are giving the app in question the right to do whatever they wish with that image or content, including sharing it elsewhere. This form of permission is explicitly referenced in BeReal's terms of use.

Advice for Parents & Carers

LIMIT NOTIFICATIONS

BeReal offers the option to turn off individual types of notification. Doing this will significantly reduce the number of times your child is tempted to open the app by incoming comments, uploads, friend requests and so on. Ironically, it will allow them to actually 'be real' by being present in the moment and their current environment as opposed to being engrossed on social media.

STOP AND THINK

BeReal's goal is for users to be authentic with friends, removing the pressure of that flawless photo or perfectly worded post. It's still vital, though, that children stop and think rather than uploading something risky just to meet the two-minute deadline. Point out to them what kind of information strangers could extract from an image: school crests, street names or local landmarks, for example.

KEEP IT AMONG FRIENDS

Remind your child why adding strangers to their contacts isn't a good idea, and advise them to decline any friend requests from people they don't know in real life. If something your child sees on BeReal makes them feel uncomfortable, they can report it by clicking on the three dots in the top right. The reporting tool allows them to state the reason that they're flagging up the post.

CREATE A SAFE PROFILE

Remind your child to use an avatar as their profile pic (as opposed to a photo of themselves) and use a nickname or just their first name, not their full name. Any information they add to their bio (which is optional) should be kept vague, and personal details should remain private. It's also worth turning off the geolocation feature either through the device's settings or in BeReal itself.

Meet Our Expert

Dr Claire Sutherland is an online safety consultant, educator and researcher who has developed and implemented anti-bullying and cyber safety policies for schools. She has written various academic papers and carried out research for the Australian government comparing internet use and sexting behaviour of young people in the UK, USA and Australia.

Dunton Reading Festival 2023

27th Feb — 3rd March

Stay and read session: Thursday 2nd March. (8:45—9:15)

Come into school and stay for a while to read with your child/other children.
(or bring in your favourite book as a child and read to a small group.)

World Book Day: Thursday 2nd March.

Activities taking place in school to celebrate World Book Day.

During the week why not donate any unwanted good quality books into our 'Book depository' based on the playground. Then swap your book for another one. Take it home and read it with your children.

Family reading week challenge.

Turn a wooden spoon into a book character! See some examples below. Bring in your completed spoon on World Book Day.

What else is happening during our reading festival?

Paired reading sessions. (Older children reading to the younger children)

Live streaming lessons and activities throughout the week.

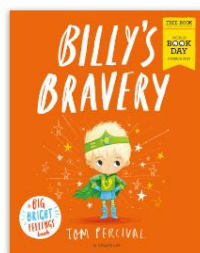

Whole class reading & lots more.

Find out more at: <https://www.worldbookday.com>

The [World Book Day website](https://www.worldbookday.com) is a great place to discover more about the importance of reading for pleasure, and has a huge range of resources for families to enjoy

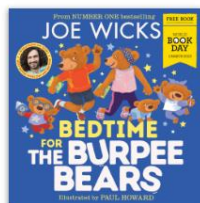

World Book Day 2023 £1 books.
