4. Organisation and planning

Through our teaching of MFL in school (Spanish in KS2), we aim for children to be able to build on three strands of teaching and learning: Oracy, Literacy and Intercultural Understanding.

These three strands will enable the children to be able to:

Listen and respond to questions using correct pronunciation and grammar

Memorise and recite familiar words and phrases (including rhymes, songs and stories)

Interpret meaning by picking out familiar words;

Read and write familiar vocabulary building up into short phrases and sentences including the use of dictionaries to find new words

Communicate with each other in Spanish in pairs or groups

Recognize similarities and differences between countries and cultures.

5. Inclusion

Teachers set high expectations for all pupils. They will use appropriate assessment to set ambitious targets and plan challenging work for all groups, including:

- More able pupils
- Pupils with low prior attainment
- Pupils from disadvantaged backgrounds
- Pupils with SEN
- Pupils with English as an additional language (EAL)

Teachers will plan lessons so that pupils with SEN and/or disabilities can study every National Curriculum subject, wherever possible, and ensure that there are no barriers to every pupil achieving.

Teachers will also take account of the needs of pupils whose first language is not English. Lessons will be planned so that teaching opportunities help pupils to develop their English, and to support pupils to take part in all subjects.

Further information can be found in our statement of equality information and objectives, and in our SEN policy and information report.

6. Monitoring arrangements

Governors monitor whether the school is complying with its funding agreement and teaching a “broad and balanced curriculum” which includes the required subjects, through: school visits, meetings with the school council, etc.

Curriculum leaders monitor the way their subject is taught throughout the school by undertaking activities such as: planning scrutinies, learning walks, book scrutinies, etc.

Curriculum leaders also have responsibility for monitoring the way in which resources are stored and managed.

This policy will be reviewed every two years by the subject leader/Headteacher. At every review, the policy will be shared with the full governing board.
