

DUNTON BASSETT PRIMARY SCHOOL – PE AND SPORTS DEVELOPMENT 2020-2021

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> ➤ Dunton Bassett Primary School has a long standing tradition for sporting success across a range of sports including football, basketball, dodgeball, cricket, swimming, athletics, rounders and cross country. All pupils participate in at least two hours quality PE curriculum provision per week (please see our curriculum plans). In addition, a number of enrichment clubs are held throughout the academic year. During the autumn and spring terms we run football, dodgeball, Archery, gymnastics, spy club and multiskills clubs, as well as Street Dance and Ninja Warriors. ➤ We also have in place Sparx Club, Inclusive club and dance sessions in order to increase the opportunities for non and semi-sporty children. ➤ To increase opportunities for accessing outdoor provision, a number of off-site trips and a residential is arranged. In Years 5&6, children have the opportunity to take part in outdoor/adventurous activities on a 3 day residential trip to an activity centre. ➤ ‘Big Moves’ sessions have taken place, and continue to do so, for children in Reception and Key Stage 1 classes to ascertain those who need to develop their core strength, cross lateral and gross motor skills and then provide activities to improve these. ➤ During the academic year 2019-20 we once again performed admirably in numerous sports, which we hope to emulate again this year. 	<ul style="list-style-type: none"> ➤ Improve swimming provision. ➤ Upskill teachers to teach PE - new scheme and support from expert teacher. ➤ Train new PE Leader

Meeting national curriculum requirements for swimming and water safety

The percentage of our current Year 6 cohort swimming competently, confidently and proficiently over a distance of at least 25 metres.

N/A

The percentage of our current Year 6 cohort using a range of strokes effectively [for example, front crawl, backstroke and breaststroke].

N/A

The percentage of our current Year 6 cohort performing safe self-rescue in different water-based situations.
